

CG-83527

Name: **Coast Guard 83527**
Length: 83 feet
Year Built: 1944
Type of Vessel: Cutter
Home Port: Everett, Wash.
Captain: Dan Withers
Website: www.cg83527.org

Biography: Built during World War II, this cutter was stationed in Tacoma from 1945-1962. It provided patrol, and search-and-rescue operations in Puget Sound. It is the last of the wooden Coast Guard cutters still in its original military configuration.

Point of Interest: CG 83527 helped rescue passengers from the 1965 Northwest Orient Airlines crash near Vashon Island.
