

LYNX

Name: **Lynx**
Length: 122 feet
Year Built: 2001
Type of Vessel: Square Topsail Schooner
Home Port: Portsmouth, N.H.
Captain: Michael Kellick
Website: www.privateerlynx.com

Biography: The Lynx was built to represent a privateer from the War of 1812. It represents a “letter of marque” Baltimore Clipper, considered to be one of the finest privateer schooners ever built. Because of their speed and maneuverability, these ships were most effective as blockade runners and offensive ships of war.

Point of Interest: Lynx is fitted with period ordnance and flies pennants and flags from the War of 1812 era.
