

YANKEE CLIPPER

Name: **Yankee Clipper**
Length: 54 feet
Year Built: 1941
Type of Vessel: Gaff Ketch
Home Port: Seattle, Wash.
Captain: Daniel Joram
Website: www.tallshiptraining.org

Biography: The S/V Yankee Clipper was converted to a gaff ketch from a Navy Liberty Launch in the late 1940s. The conversion was specifically designed to provide a boat that optimizes sail training opportunities for youth.

Point of Interest: During the 60 years it has operated as a training vessel, Yankee Clipper has served more than 1,000 youth in its training program.

They're Coming. Are you?
