

VIRGINIA V

Name: **Virginia V**
Length: 125 feet
Year Built: 1922
Type of Vessel: Wooden-hull Steamship
Home Port: Seattle, Wash.
Captain: Dale Pederson
Website: www.virginiav.org

Biography: The S.S. Virginia V was built in 1922 on the beach at Maplewood in Pierce County to carry freight and passengers from Vashon Island to Tacoma and Seattle. She was once part of a large fleet that served waterfront towns all over Puget Sound.

Point of Interest: Virginia V is the last surviving boat from the famous “Mosquito Fleet” and is still equipped with a 1898 steam engine.
